

THE ALL NEW
KORANDO

SSURPRISINGLY
SSANGYONG

READY FOR ANYTHING

We're proud to present the all-new Korando, a very modern car that feels at home anywhere.

With versatility at its heart, Korando is as good for city driving as it is for weekend getaways. For

the first time, Korando will be available with a 1.5l GDI-Turbo petrol engine, alongside a new 1.6l diesel engine version.

Smooth handling, cutting-edge technology and built-in comfort make every journey one to remember.

Jump behind the wheel to discover the Blaze

Cockpit*, our high-tech reimagining of the driving experience; from the 9" fully integrated navigation display which links with a 10.25" full digital instrument cluster, to the customisable mood lighting, Korando is full of smart technology for your ease, convenience and comfort.

Korando offers huge interior space for both driver and passengers, and boasts the best rear load space in its class - packing up the whole family for a weekend trip? No worries. You can relax and throw an extra suitcase in the back. Being a SsangYong, Korando has towing built into its DNA. In fact,

Korando tows loads up to 2 tonnes** making it ideal for a caravanning trip anytime and anywhere. Getting out and about has never been so easy, with a vehicle capable of adapting to any and all of life's challenges.

And all of this comes with a 7-year or 150,000 miles warranty as standard, the biggest and best on the market. That's how confident we are in the all-new Korando.

*Blaze cockpit available on Ultimate model **Diesel model

LOOKING GOOD OUTSIDE

Korando has been in production for 37 years, and is now in its 4th generation, its distinctive SsangYong heritage has been advanced to create something iconic.

The purposeful stance and black, high-gloss chrome grille give Korando its powerful SUV styling. Dynamic

character lines along the sides and C-pillar give Korando a sharp and stylish profile.

Korando contains design features such as door mirrors with integrated puddle lights, clean door seals and LED rear brake lights that are commonly found on luxury vehicles.

These small, thoughtful details come together in Korando that's more than the sum of its parts.

HERITAGE

Since the first Korando in 1983, durability and outstanding

performance have always been the essence of the

model.

2ND GENERATION

The name itself is a contraction of the slogan “Korean Can Do”, and points to the outstanding versatility of this SUV; for SsangYong it has always been a vehicle that that leads the way.

From the first monocoque body design from Ssangyong in 2011, to today’s 4th generation Korando, SsangYong’s rich 65-year history in innovative thinking and ground-breaking design is clear

in every inch of its finely crafted vehicles.

3RD GENERATION

4TH GENERATION

Today, the all new Korando is a testament to this strong SUV heritage, while also spearheading

new technologies that are sure to serve as game-changers in the segment.

THE INSIDE STORY

In the new Korando, we've gone above and beyond to craft a high-quality interior that is both appealing and comfortable.

The fully integrated wrap-around design, inspired by the fretboard of a musical instrument, seamlessly encompasses the air vents and a host of technical features. Korando boasts huge interior space and comfort for both driver and passengers with

ergonomically designed seating for all and generous legroom front and rear. You'll also find convenient features such as a sliding armrest, large capacity door pockets and a glove box big enough for your iPad.

BLAZE COCKPIT

A first for SsangYong and exclusive to the Ultimate model is our new driving interface - the Blaze Cockpit. You'll find not one, but two digital displays to keep you

in control. The first is a dedicated 9" multi-functional infotainment unit which includes Apple CarPlay, Android Auto and DAB audio. The second is a 10.25" full digital instrument cluster that can complement or mirror the 9" screen offering a wealth of intuitive

features such as phone mirroring, turn-by-turn directions and more.

The Blaze Cockpit also offers customisable LED lighting across the fascia and front doors, allowing you to set the mood with a choice of 34 colours.

WORK, PLAY, HOME, ABROAD - KORANDO DOES LOAD SPACE

Stretch out and be comfortable inside Korando's generous interior. With the all-new Korando, both driver and passenger needs have been taken into consideration - with lumbar support in the front seats* and 850mm of leg room in the rear.

With 551l** of loadspace, there's also space for all

your kit, whatever your plans. The remote power tailgate⁺ opens automatically in range of the driver's smart key allowing you to access the loadspace, even with your hands full. The luggage board divides the boot into two stacked layers for convenient loading and unloading of cargo.

- High quality woven cloth, dual fabric and faux leather, or full leather seats – ergonomically designed
- Ventilated, heated, and powered front seats with lumbar support*
- Spacious glove box and storage compartments
- Remote power tailgate†
- Generous loadspace (551L)**
- Flexibility with folding seat combinations

A DYNAMIC DRIVE

Korando is available with an all-new 1.5 GDI-Turbo petrol engine or new 1.6 diesel engine, guaranteeing maximum fuel efficiency and driving satisfaction, no matter your choice.

With a towing capability of up to 2 tonnes* and an impressive AWD system available in diesel models, Korando guarantees security in uncertain driving situations – from taxiing the kids to school on a rainy day, to a weekend away with your caravan on the coast.

Innovative construction techniques have also resulted in the new Korando having superb NVH standards for a smooth and quiet drive.

*Diesel only.

POWERTRAIN

Korando offers an all-new 1.5 GDI-Turbo petrol engine with low-speed torque giving rapid acceleration when required. This new engine delivers 280Nm of torque and 1.5 tonnes of towing capability. The GDI-Turbo petrol engine is available with either 6-speed manual or AISIN 6-speed automatic transmission, which offers smooth and quiet gear shifting with maximum fuel efficiency. The downsized 1.6 diesel engine delivers effortless performance under any driving conditions, 324Nm of torque and boasts a 2-tonne towing capacity. Optimised gear ratios on the AISIN 6-speed automatic transmission ensure smooth, and precise gear shifts, improved fuel efficiency and a quieter ride.

- Double wishbone front
- Independent multi-link rear

Driver aids

- Hill start assist
- Hill descent control

NOISE, VIBRATION & HARSHNESS

Technical NVH management

A sophisticated engine mount system, alongside powertrain and driveline suppression measures, maximises noise reduction and has allowed the new Korando to attain superb levels of NVH.

Optimised sound insulation package

Using new construction features such as under floor damping, pillar cavity foam, and a sound absorbing roof liner, the new Korando is effective in isolating engine, road and exterior sounds for a quiet driving experience.

SMART SAFETY

Front Collision Warning

Alerts the driver when another vehicle or pedestrian appears in the path of the vehicle.

Autonomous Emergency Braking System

When a frontal collision is anticipated, this function automatically applies the brakes to prevent a collision.

Lane Departure Warning System

Notifies the driver when the forward camera module detects an unintended lane departure by the vehicle.

Lane Keeping Assist

The front camera module helps prevent unintended lane departure and if an unintended lane departure is detected (absence of a turn signal), LKA will automatically make a corrective steering adjustment.

Front Vehicle Start Alert

Alerts the driver when the preceding vehicle begins to depart.

Safety Distance Alert

The driver is alerted whenever a safe distance is not maintained from the preceding vehicle (the safety distance is automatically adjusted according to driving speed).

DRIVER AIDS

High Beam Assist

Detects preceding vehicle's rear combination lights, headlights of oncoming vehicles and ambient brightness levels to automatically switch between high and low beams.

Traffic Sign Recognition

The system recognises speed limit signs and provides the driver with an on-screen warning.

Driver Attention Alert

Monitors driving patterns and on detecting signs of fatigue or inattentiveness, it will issue a warning advising the driver to take a break.

ISOFIX

The new Korando is equipped with ISOFIX child-seat mountings to the rear outer seats to ensure that child seats are attached firmly and rigidly.

Emergency Stop Signal

Activates the flashing emergency lights to alert drivers behind when the vehicle makes a sudden stop.

Cruise control

Designed to be used on roads and motorways that don't have frequent stops and turns to negotiate, the electronic cruise control system enables the driver to hold a constant speed without driver input.

Auto lights and wipers

Whether driving in a light shower or heavy rain, night or day, the wipers and lights will auto-start and wipers will adjust to suit the conditions.

STRENGTH & SAFETY

The all-new Korando looks and handles well, but that's not all – it's also our safest and strongest Korando ever. Our focus on safety is built-in from the body up, with a best-in-class body structure composed of 74% high-tensile strength steel. We've also fitted a 6 airbag system – which includes driver and passenger seat airbags, side and curtain airbags.

Safety for all includes our smart safety system – a continuously growing toolkit of advanced driving technology, designed to keep everyone safe on the road. This includes Autonomous Emergency Braking System (AEBS) Lane Keeping Assist (LKA), and Lane Departure Warning System (LDWS), along with driver aids such as High Beam Assist (HBA), and Driver Attention Alert (DAA).
